Important notice:

The reproduction, illustration or inclusion here of company names, products or logos does not imply that these may be used by anyone without permission from the companies owning them. These names and designations are protected by law or contractual agreement, even if this is not expressly indicated in individual cases. The MyTransceiver website and all texts and illustrations contained in it are protected by copyright and may not be used or reproduced in any way without permission in writing. Links contained within the Mytransceiver website may also lead to third-party offerings. Werner von Ascheraden - Mytransceiver cannot, of course, assume any responsibility whatsoever for these.

Werner von Ascheraden - Mytransceiver is not liable for the correctness of any information provided, including technical data and typing or reproduction errors. This is subject to change without notice. No liability is assumed or any guarantees extended in the event of insufficient or incorrect information or omissions.
