

10G-XFP-LR-C

OEM/CERTIFIED

compatible Multirate XFP LR for Gigabit Ethernet and 10 Gbit/s Fibre Channel over Singlemode fiber

- Up to 10.5 Gb/s data links
- Hot-pluggable
- Built-in digital diagnostic functions
- 1310nm DFB laser transmitter
- Duplex LC connector
- RoHS Compliant and Lead-Free
- Up to 10km on singlemode fiber
- Metal enclosure, for lower EMI
- Single 3.3V power supply
- Low power dissipation
- Commercial operating temperature range: -5°C to 75°C
